

Content Writer Specialist

About us:

Founded in 2004 in Iași, we are an industry-leading company defined by its drive to build state-of-the-art technology products. We specialize in the research, development and implementation of software and hardware technologies for the processing of flexible materials, with a strong focus on computer aided design (CAD) and cutting room processes/computer aided manufacturing (CAM). Our advanced technologies automate the manufacturing process from design to cutting for customers in more than 60 countries, providing reliable services and technical support throughout all stages.

We are looking for a talented Content Writer to help us expand our digital footprint and drive more value through online content. This position requires a high level of creativity, as well as the ability to use data-driven insights to write better material. The successful candidate should also be detail-oriented and committed to meeting tight deadlines. Preference will be given to those with a strong writing portfolio, bachelor's degree and relevant work experience.

What you will do:

- Regularly produce various content types, including email, social media posts, blog posts, press releases and others
- Research industry-related topics (combining online sources, interviews and studies) and collaborate with other departments to create innovative content ideas
- Identify customers' needs and gaps in our content and recommend new topics
- Write clear marketing copy to promote our products and services
- Create content marketing campaigns to drive leads and subscribers
- Promote content on social media and pitch articles to relevant third-party platforms
- Edit content produced by other members of the team
- Use SEO best practices to generate traffic to our site
- Coordinate with marketing team members to illustrate articles
- Ensure all-around consistency (tone of voice, images)
- Analyze content marketing metrics and make changes as needed

The ideal candidate:

- Minimum 5-year experience with content writing, preferably for a B2B audience; with content marketing strategies, trends and statistics; with promotion and PPC campaigns
- Bachelor's degree in Journalism, Marketing or related field
- Excellent communication and interpersonal skills
- Excellent English speaking and writing competencies

Eligibility Requirements:

- Must be willing to work in Iasi or to travel to Iasi often
- Must be able to provide a portfolio of work examples (if available, include a web address when you submit your resume)
- Individual must exhibit strong interpersonal, writing and presentation skills
- Must possess superior organizational & creative skills
- Able to interact professionally at all levels of the business
- Ability to juggle priorities and meet numerous deadlines
- Eager to explore new avenues in the content marketing space
- Experience in a technical environment
- Experience writing for international audiences

We offer:

- Challenging projects in an industry-leading company
- Flexible work hours and competitive benefits
- Periodic internal events and company parties
- Professional challenges in a friendly and informal environment
- Private parking spaces
- Working location: Iasi, Romania
- Type of contract: Permanent & full time

If you are interested, please send your CV at hr@geminiCAD.com & come and meet us.
